POWELL'S TRIBUTE TO HANCOCK. carnestness, "my own darling Ethel [From the Denver Daily News.] The fellowing tribute to General Hancock was paid by James Eibert Powell, of Kansas City, the cloquent young rival of Bob Ingersoll, in his brilliant lecture on "The Solid brilliant lecture on the Solid brilliant lectur South" now being delivered in Colo- our lives, refined beyond the comrado under the auspices of the Amer ican Literary Bureau of New York : mom ken-

"I cannot close this allusion to the era of construction in the south, at Ethel's hand and a plunge for the seedin' dese men kerryin' on 'round lies and gentlemen, without offering a tribute to that man, who, tried by the true test of greatness, has clear over the back of her chair and proven himself a peer-whose young after him, and away they went clatsword flashed like a meteor over the bloody flelds of Mexico, and flung its glesms across the deepening twilight of Spotsylvania and Gettysburg— whose splendid energies and Spartan prowess have ever been dedicated to whose splendid energies and Spartan down the stairs they rushed, collared a couple of chairs at the nearest table, feed a waiter, and opened the emblazoned apout the brightest pages man of coarse mould and an earthof American history, but whose glory born appetite myself, and I wouldn't ter my house dis mo'nin' and tap on as a warrier is eclipsed by the gran-live in a star so long as I could find a de gate; I axed him wat's de matter dear of the civilian-who was no less a hero beneath the olive branch of peace, than when leading the charge under the red banner of war-who never feared to draw his sword at the call of his country, or to lay it, sheathed, upon the shrine of constitutional government, when the dust of conflict had dritted away—who crystalized his views and moulded his measures with that royal companion, which yielded to a conquered and impoverished toe the inviolable inheritance of civic liberty-who is one of the grandest men in the land, recognized by the brilliancy of his ndividual lustre, and not reflecting the borrowed rays of other lumiusries-to that defender of the Union,

exponent of great virtue, of tried courage, of lotty wisdom, of broad inice, of earnest patriotism, of noble aspirations and of true man-He is a soldier, not alone of manner or of rank, but of merit and of mind he is a soldier, who distinguished himself in the defense of liberty, and the ignorance and prejudice of the day, and planted the royal banner of pardon and love upon the battlements soldler, not by the power of fear, but by the force of splendid superiority :

that champion of the constitution,

that sovereign of soldiers, that pion-

General Winfield Scott Hancock, the

radiates the star of honor and to whose memery will be issued the highest patent of nobility. When, at the foot of Bunker Hill in the shadow of that royal shaft, which stands a monumental emblen: of heroic valor, whose remembrance s consecrated in the hearts of fifty illions of patriots, beneath the rays of the stars and the light of the centuries, the goddess of historic unity and liberty, the guardian of our national faith shall call the roll of the grand army of heroes, there will be no more gallant-no more glorious president of the United States. response, than that which swells from

He believed that, when the southeru chieftaiu surrendered his sword only to prove my plain duty to Gen. the historic tree at Appomattox, the and pain of war-that the bine and the gray should clasp hands forever, and the northern sigh meet the southern sorrow above the same graves, garlanded with the same flowers, gathered by the same hands, consecrated by the same regrets and be-

dewed with the same tears.

a great political body for the highest e in the gift of the American people, and, though I come to-night the advocate of no faction-the champion of no party-as a lover of my country, I must say that, if the star which now rises above General Hancock's destiny, casts its meridian beams upon him in the white house, they will fall upon an executive, from whose hand the sceptre of Justice will age and fidelity to principle shall find a home in the hearts and hopes of men. He will not be a politician for the sake of party, as he has not been a soldier for the sake of glory, but he will be a man for the sake o manhood, and a patriot for the sake of his country. He is a man, the corner-stone of whose character is integrity. He is a man whose virtue are not negative or obstructive, but positive and aggressive. He is a man with a strong mind, a pure heart and a ready hand. He is a man, who will set his face against any system of no stain or semblance of dishonorthe warmth of traternal affectionhe is a man who will rise above the reach of personal venality, above the influence or suspicion of corruption shove the scope of moral cowardice -a man who will bring confidence. bring courage, bring peace to our

unhappy country, where now "Freedom weeps Wrong rules the land, And waiting justice sleeps."

OTHERS IN THE SAME FIX. tion to the exalted office of president in 1880 of a man whom it regarded as "a dead cock in the pit" only seven following in the footsteps of its present the fo as "a dead cock in the pit" only seven years ago! Thus it is convicted out of its own mouth of supporting for of its own mouth of supporting for the same rule and nernetuate sustenance at the bear of Alma whom it regarded following in the footsteps of its present added to the same before you. Your successors will do the same after couldn't see me, 'cause a black and nernetuate sustenance at the bear of Alma got over my head, as black as—any—their furniture manufactory, with complete manufactory, with complete manufactory with complete manufactory and its present and i it deplored as a dishonor to congress in 1873! Thus it is condemned by its own showing as soliciting the suf-

THEY WANTED TO LIVE IN THE STARS.

[From the Burlington Hawkeye.] Very near us sat two young people He wore the face of a man who shaves three times a day, and that white necktic had never seen the starlight before. There was pearl powder on the shoulder of his coat, and a tender, dreamy look in her lovely eyes. They sat and looked up at the stars, and they didn't care for any solitary thing any nearer to this earth. "Mortimer, any nearer to this earth. "Mortimer,"
she murmured softly—"Mortimer,"
his name appeared to be Mortimer,
though I couldn't learn whether it
was his front name or his after name was his front name or his after name marked while Garfield was chairman

-"Mortimer, dear," she said, "if we of the committee on appropriations could only live apart from this busy and sordid, unsympathetic world, in one of you glittering orbs of golden
one of you glittering orbs of golden
radiance, living apart from all else,
only for each other, forgetting the
base things of earthly life, the coarse greed of the world and its animal in stincts, that would be our heaven, would it not dear ?"

And Mortimer, he said that i would. "There, heart of my own," he said, and his voice trembled with through all the softened radiance o the day and all the shimmering ten derness of night, our lives would

Just then the man with the geng came out. Mortimer, he made a grab hyar wid dese fortfolyos." cabin door. Ethel just gathered her skirts with her other hand, jumped "W'y, dey's bin down dar in my naberhood jess stirrin' up mo' 'rath dan all de parsens inside de korpyratime ter day. One of dem cum down good hotel in America; but long, an'he say he done cum ter take my long before I could get seats at the table for my family, Mortimer and Ethel had eaten two bluefish, a little rare beefsteak, some corn bread, a shanty fur enny drummers from de plate of hot cakes, two boiled eggs, loonytick 'sylums!" and a bunch of onious, and the "What did he say?" and a bunch of onious, and the waiter had gone out to toast them some cheese.

MORAL. I have, during my wanderings, met several people who wanted to live in a star, where earth-born people with animal appetites couldn't trouble them, and I always found the safest place for an earth-born man, when the star-born soul started for the 'lookie heah, you jess figger on what de law 'lows an' don't cum 'round dinner table, was behind a large rock. Distrust the aspiring mortal who lives in a plane so elevated that He say dat he get ter put down whether dey is 'black er merlatter'he requires the use of a telescope eer of peace, that prince of patriots, when he wants to look down at the rest of us. And if he ever wants board at your humble table, charge him \$15 a week, and teed him lots of soup, or you'll lose money on him.
